

Ask Me Anything Sessions

Have a burning question for one of our Keynotes or Specialists about their career, hobbies or pets that you wouldn't be able to ask during standard sessions?

Join the special 'Ask Me Anything' sessions happening at the Conference and finally get your chance! These specialised sessions are designed to give you time with our experts in a casual setting, to take off the pressure and activate conversation. All registered delegates are welcome to attend.

Ask me anything with the Better Together Keynotes
